

I am going to select 5 random projects with varying numbers of steps.

Number of Steps	Project Number
1	OG 09-266
2	OG 15-287
3	OG 23-150
4	OG 19-155
5	OG 17-095
6	OG 16-309
7	OG 18-075
8	No samples available
9	No samples available
10	OG 19-186

1. OG 09-266

OG 09-266 (CFA Meeting - OG Appendix)

HPA number HPA 09-290
Location 1438 Wisconsin Avenue, NW
Property Commercial Description Alterations to storefront - existing Review Type Permit - revised design
Recommendation <p>The Commission regrets that the replacement metal storefront was installed prior to review or permit. Recommend AGAINST issuance of permit for existing storefront and alterations which are not appropriate to this building or the historic district. File new submission of detailed and dimensioned drawings with permit application for a replacement of existing metal storefront with new metal or wood storefront that more closely approximates original condition with exposed transom windows, for new wood door and for replacement 2/2 wood windows with 1 5/8 inch muntins on upper floors no later than the 15 April 2010 deadline for review by the Commission.</p>

No Prior Review. No CFA Action.

2. OG 15-287

OG 15-287

HPA number HPA 15-533
Location 1035 31st Street, NW
Property Commercial Description Alterations, replacement windows and door - Existing alterations without review Review Type Permit

Previous Review

OG 15-221

CFA Action

OG 15-287

OG 15-221

HPA number HPA 15-420
Location 1035 31st Street, NW Washington, DC
Property Commercial Description Alterations - Existing alterations without review; handicapped lift Review Type Permit
Recommendation <p>Submitted material is not sufficient for review. The Commission regrets that the windows have been removed and masonry work completed prior to review or permit. File new submission at DCRA with construction drawings for all completed alterations and for the proposed handicapped lift, including site plan, floor plans, detailed and dimensioned drawings, architectural details, and cut-sheets for the replacement window, with permit application for review by the Commission.</p>

Previous Review

OG 15-221

OG 15-221 (previous)

HPA number HPA 15-420
Location 1035 31st Street, NW Washington, DC
Property Commercial Description Alterations - Existing alterations without review; handicapped lift Review Type Permit
Recommendation Submitted material is not sufficient for review. The Commission regrets that the windows have been removed and masonry work completed prior to review or permit. File new submission at DCRA with construction drawings for all completed alterations and for the proposed handicapped lift, including site plan, floor plans, detailed and dimensioned drawings, architectural details, and cut-sheets for the replacement window, with permit application for review by the Commission.

3. OG 23-150

OG 23-150

This one makes the most sense. Agenda. Consent Calendar. OGB Appendix

4. and 5. OG 19-155

Meeting agenda for 3 then appendix
Meeting agenda for 4 then appendix

6. OG 16-309

Change in request, then same thing as above.

7. OG 18-075

Application has been inactive for a while, so returned without action.

10. OG 19-186

Went from a 6 story building to 5 story. Stayed in review all this time

On review 7 (Nov 2020) /records-research/project-search/og-19-186-5, new documents submitted

Looks like they just took a long time to resubmit information, since pdf says last review was R E S P
O N S E T O D E C . 3 , 2 0 1 9 C O M M E N T S

Resubmitted a new slideshow in January 2021

New slideshow in April 2021

Concept submission approved
